

## ProLift height adjustable, electric powered wall mounted floor stand.

The **FFM-600** offers a permanently mounted electric height adjustable stand that can accommodate heavier presentation boards due to its floor supported structure.

Designed according to ADA standards. From our professional line, this stand is made to fit LCD/LED TV's up to 225 lbs. and comes standard with a VESA mount and tethered remote control. FFM-600 is manufactured exclusively in North America

# FFM-600

The FFM-600 has been specifically designed for permanent installation for large classrooms, conference rooms and boardrooms. This heavy duty presentation stand can be easily fixed onto 3 studs for secure and permanent installation. The FFM-600 comes standard with a tethered remote control for simple height adjustment at the touch of a button. Unlike mobile stands, this design eliminates tripping hazards. Our unique mounting system eliminates the costly need to demolish existing installations.

## FEATURES

- Accommodates LED/LCD panels up to 86"
- Supports LCD / LED panels up to 225 lbs
- Standard VESA up to 1000 (200, 300, 400, 500, 600, 700, 800, 1000) x 600 (multi-variable)
